

CustomFlow Tailgates look like they are made for your truck because they are!

CustomFlow Louvered Tailgates

Advance Manufacturing CustomFlow Tailgates are the best quality tailgates you can find! A smooth black finish lets you paint to match your truck. Louvered Tailgates are designed to match the contours of your truck for a perfect fit! New rotary latches and centre pull handles provide easy opening and closing of your tailgate. Get it all: quality, security, and durability with the CustomFlow Louvered Tailgate. Regular (straight top) and 5th wheel designs are available.

CustomFlow Tailgates are Lockable

Product Features

- Tubular louvered design
- Increases your gas mileage
- Manufactured from tempered satin-coat steel for added corrosion protection
- Smooth, black, paintable surface
- Comes completely assembled for fast, easy installation
- Regular and 5th wheel designs
- Easy open/close with rotary latches and center pull handle
- Custom built for your truck

Application	5th Wheel Part No.	Regular Part No.
99-06 Silverado / Sierra (see note 2)	VEL12	REL12
07-12 Silverado / Sierra (see note 3)	VEL17	REL17
04-08 Ford F150	VEL27	REL27
97-12 Ford F250/350 (exc. 97 F250 HD, 97 F350, 04-12 F150, see note 1)	VEL28	REL28
09-12 Ford F150	VEL29	REL29
96-02 Dodge Ram (exc. 02 1500)	VEL36	REL36
03-09 Dodge Ram & 02 Ram 1500 (exc. 09 1500)	VEL37	REL37
10-12 Dodge Ram (inc. 09 1500)	VEL39	REL39
07-12 Toyota Tundra	VEL46	REL46
04-05 Nissan Titan	VEL50	REL50
06-12 Nissan Titan	VEL51	REL51

(1) For 97-12 Ford Super Duty trucks, use VEL28/REL28. An additional bracket is included with the tailgate which may be needed for the 08-12 Ford Trucks.

(2) Some Chev/GMC 99-00 trucks will have the 88-98 body style: use VEL10.

(3) Some Chev/GMC 07 trucks will have the 99-06 body style (classic), use VEL12 for this body style, and VEL17 for the new body style.

CustomFlow Tailgate Insert

Designed to fill the fifth wheel opening to secure the bed of your truck when used with a bed cover, the fifth wheel tailgate insert by CustomFlow is the perfect finishing touch for your Elite series Louvered Tailgate.

Made from galvanized steel with a black powder coat finish.

Part No.	Application
CFINSERT1	Fits Tailgate: VEL10, VEL12, VEL36
CFINSERT2	Fits Tailgate: VEL17, VEL28, VEL 37, VEL39, VEL50, VEL51
CFINSERT3	Fits Tailgate: VEL 27, VEL29, VEL46

SafeTrail Trailer Locks

Leave your property with peace of mind

- Padlock not accessible to bolt cutters
- Heavier duty than anything else on the marketplace
- Lock hasp surrounded by SOLID STEEL, making it nearly impossible to access with common tools
- Comes with quality padlock
- Powder coated for extra durability and corrosion protection
- High visibility - DETERS THIEVES

Aluminum Cab Guards

Advance Manufacturing Aluminum Cab Guards add protection to the back of the cab and style to your truck. They are made from 1.5" square tubing with a bright dip anodized coating. Included with the Install Kit are two Cab Guard Mounts made from 3/16" aluminum. With several styles to choose from, you will be able to choose the look that's right for your truck. Cab Guard Mounts install with stake pocket brackets, and require no drilling. Comes complete with stainless steel hardware.

*Cab Guard Install Kit required for installation of Aluminum Cab Guard

*All Cab Guards shown are made standard with Horns. For Cab Guards with no horns, add "NH" to the part number. Ex: ACG-42-NH

Product Features

- No drill installation
- Installs with exclusive stake pocket brackets
- Does not obstruct the use of a cross over toolbox
- Corrosion resistant bright dip anodized coating
- Protects rear window
- Provides a place to carry long items

Advance Manufacturing Aluminum Cab Guards not only provide protection and style for your truck, they also serve as a mounting platform for any of the various accessories offered. Cab Guard Accessories are made from 3/16" aluminum, and vice onto the cab guard: no drilling required.

Description	Part No.
Universal Light Bracket	CA-10
Beacon Bracket (Top)	CA-20
Beacon Bracket (Side)	CA-25
Arrow Bracket (Collapsible)	CA-30
Arrow Bracket (Fixed)	CA-35
Ladder Clamp	CA-40
Pipe Rack Holder	CA-50

Also available: Advance Manufacturing Universal Pipe Racks. Designed to fit on any full size truck, provides lateral and vertical adjustment to match Cab Guard height. Requires Aluminum Side Rails on which to attach. Stainless steel hardware included.

Aluminum Side Rails

Advance Manufacturing Aluminum Side Rails protect the bed of the truck, as well as add versatility. The bedcaps are made from durable 3/16" aluminum, and formed to match the curve of your truck. The rails are made from 1½" square bright dip anodized tubing. The rails can be either the full length attachment (att.), or cross-over (x-over), to allow for the use of a cross over toolbox.

- Curve matches the side of your truck
- Installs using our exclusive stake pocket brackets
- No drilling required
- All stainless steel hardware included

Note: Side Rails made 3/4" wider to allow for use with a wooden box liner, add "W" to the part number.
Ex: ASR-500-W, ABC-500-W, SS-500-W
