

### Coupler and Receiver Locks

- Corrosion resistant (All Part Numbers)
- Includes 2 Keys (All Part Numbers)
- Stainless Steel Construction: 580405, 580406, 580408
- Sleeve allows lock to be used on 2" x 2" and 1-1/4" x 1-1/4" receivers: 580405, 580406, 580407
- Dust cap keeps tumblers clean of debris: 580405, 580406, 580407, 580409, 580410
- Can be used on hitched or unhitched trailers: 580408, 580409, 58410
- Locking housing rotates for easy key access: 580407, 580409, 580410

Part #	Description
580405	5/8" Stainless Steel Receiver Lock
580406	5/8" Stainless Steel Receiver and Coupler Lock Combo (includes stainless steel coupler lock)
580407	5/8" Easy Access Receiver Lock
580408	Stainless Steel Coupler Lock
580409	Easy Access Long Coupler Lock (long shank for various coupler applications)
580410	Easy Access Adjustable Coupler Lock (6 locking positions)

Part #	Description
580400	5/8" Chrome Bent Pin Lock (3 1/4" span for most Class V Hitches)
580401	5/8" Chrome Dogbone Lock
580402	5/8" Stainless Steel Dogbone Lock
580403	Chrome Coupler Lock
580404	5/8" Chrome Dogbone Lock w/ Chrome Coupler

### LifeLong® Coupler and Receiver Locks

- Higher axial and bend strengths increase theft deterrence
- The patented design maintains shaft diameter for maximum strength (Competitors reduce the shafts' diameter with "steps," thus creating weak points, reducing axial and bend strength, and allowing the shaft to be broken more easily)
- BULLDOG – LifeLong® locks maximize security on three fronts:
  - Stronger Break Resistance
  - Dual Self Locking Design
  - High Security Square Key Design

### Coupler and Receiver Locks

- Sleeve (63250) or Pin (63248 & 63249) allows lock to be used on 2" x 2" and 1 1/4" x 1 1/4"
- Dust Cap keeps tumblers clean of debris
- Corrosion Resistant • Includes 2 keys

Part #	Description
63248	5/8" - 1/2" Receiver Lock
63249	5/8" - 1/2" Receiver and Coupler Lock Combo (Includes Brass Coupler Lock)
63250	5/8" - 1/2" Dogbone Receiver - Coupler Lock (Includes matching coupler lock, Chrome plated)
63252	Receiver Lock, Dogbone Style, 5/8" for 2-1/2" Sq. Receivers, 3-1/2" Span
63253	Receiver Lock, Barrel Style w/ Bent Pin, 5/8" for 2-1/2" Sq. Receivers, 3-1/2" Span
