

# 1 FOUR WHEELER. 4 TREE STANDS. 500 LBS OF GEAR. ONE TOUGH BEDLINER.

LINE-X® spray-on truck bedliner protects your truck bed like no drop-in liner can. Drop-in liners often warp and tear, letting in water and abrasives that eat away your truck bed. The LINE-X non-slip surface completely seals out rust and corrosion with rugged good looks that last. In fact, your LINE-X bedliner is backed for life with a Lifetime Warranty.

## THE LINE-X ADVANTAGE

- Rated #1 in customer satisfaction
