PACIFIC DUALIES ACCESSORIES

AIR-LOCK Valve Stem Extension Systems

- Market's Most Advanced Valve Stem Extension System
 - Patented double air-locking valves prevents air pressure loss
 - Allows easy air filling of all 6 tires
 - Heavy duty braided stainless steel design
 - Available for 16"-19.5" & 22.5"-24.5" wheels
 - Easy "Do it yourself" Installation
 - Made in the U.S.A. 
- Complete 8-piece Valve Stem Extension System includes:
- 2 - Patented AIR-LOCK hoses
 - 2 - 45° fittings
 - 2 - 90° fittings
 - Mounting Brackets & Hardware

Part #	Wheel Size	Description
18016	16" - 19.5"	Air-lock 6 Wheel System
18022	22.5" - 24.5"	Air-lock 6 Wheel System

UNIVERSAL VALVE STEM EXTENSION KIT (REAR ONLY)

- Two-Piece Kit for 16"-19" Inner Rear Dually Wheels
- Heavy duty braided stainless steel design
- Easy "Do it yourself" Instruction
- Allows for easy access, making air pressure maintenance a breeze.
- Made in the U.S.A. 

Part #	Description
18000	Universal Valve Stem Extension Kit

UNIVERSAL SPARE TIRE INFLATION SYSTEM

- Can be used on any car & truck with a hard to reach spare tire.
- Three different mounting options
- Heavy duty braided stainless steel design
- Easy "Do it yourself" Instruction
- Allows for easy access, making spare tire maintenance a breeze.
- Made in the U.S.A.
