# RACEPROVEN TECHNOLOGY

Trusted by enthusiast and racers alike, Pro Comp sets the standard for performance, durability and style with a complete offering of tires and wheels designed specifically for light trucks, Jeeps and SUVs. Pro Comp Tires and Wheels are the toughest in the business. Using the finest materials, cutting edge designs and state-of-the-art construction, Pro Comp Tires and Wheels are engineered to excel when conditions get rough.

### XTREME M/T

PART	SIZES	LOAD RANGE
65031	31X10.50R15	C
65033	33X12.50R15	C
65035	35X12.50R15	C

600305	LT305/55R20	E
601235	35X12.50R20	E

#### Features:

- 1 Ultra-modern tread design for quiet operation and superior on- and off-road traction. Ultra-modern tread compound coupled with silica for enhanced traction on all surfaces.
- 2 Enhanced upper sidewall treatment for better cut and abrasion resistance.
- 3 Full-length siping for better wet and snow capability.
- 4 Tri-ply construction for maximum puncture resistance.
- 5 Spiral nylon overwrap and opposed angle steel belting for better stability and load carrying ability, especially at highway speeds.
- 6 Most sizes carry a Load Range E rating for maximum load carrying capacity.

50037	37X13.50R20	E

#### Features:

- 1 Directional tread design for superior on- and off-road traction.
- 2 Massive shoulder lugs for better over-the-road traction and durability, especially under high loads and highway speeds.
- 3 Full-length elliptical siping for enhanced wet and snow capability.
- 4 Tri-ply construction for greater sidewall puncture resistance.
- 5 Spiral nylon overwrap for better stability and load carrying ability at highway speeds
- 6 40,000 Mile Limited Tread Wear Warranty
