

## STREAMLINE RUNNING BOARDS

- With a 5" step, Streamline has over 50% more step area than regular tube steps

- Stylish custom molded end caps add streamline styling, can be painted for a custom finish and seals the step from moisture. Results in an OEM finished look

- No Drilling most applications - Heavy-duty mounting brackets mount to existing factory holes

- New innovation in mounting brackets make installing the streamline step quick & easy & the bar can be positioned forward or back to compliment individual style or bar location need

- **RAMPAGE EXCLUSIVE:** Galvanized Steel - Powder Coat, Weatherseal Brackets

- Optional Top Clamp kit(14999) can be used to mount Streamline bars with non Rampage (EZ Fit)brackets for applications not covered by Rampage-call for details

## SLIMLINE 2/INCH SIDE BAR w RECESSED STEP

Step into Value with the Rampage solution to an affordable access step for stock or lifted Trucks and Jeeps. Introducing Sliamline, the 'New Look', Stirrup Style, Side Bar that features a Heavy Duty 2-inch Tube bar with formed dropdown Steps and a durable Textured Black powder coat finish. Each Side Bar is vehicle specific in the design location of the step recess and non-skid step pad position to insure ease of accessibility. Steel, powder coated, mounting brackets are welded to match factory installation points and eliminate flexing with the added convenience of quick and easy one piece installation (per Side).

- Non-Skid step pads
- Dual stage textured powder coat finish
- New Low Profile design with individual entry steps
- Vehicle Specific design for custom fit and alignment
- No Drill – easy installation using factory bolt locations
