

ROLL-N-LOCK®... the most advanced retractable truck bed cover systems made, have redefined the rules for truck bed security. From their retractable function to their rigid vinyl-over-aluminum laminated construction, these covers offer every feature you need.

ROLL-N-LOCK® M-Series™ Manual Retractable Cover

- Lowest profile aluminum housing - only 7¼" deep
- Easy access housing lid
- Aluminum cargo shield
- Heavy-duty torsion spring
- Aluminum reel mechanism
- Easy clamp-on installation
- Multiple latching positions
- AutoLock™ automatic tailgate lock

ROLL-N-LOCK® E-Series™ Electric Retractable Cover

- Convenient remote control operation
- Fast opening electric motor over torsion-spring drive system
- Handy built-in cargo light
- Lowest-profile aluminum housing - only 7½" deep
- Easy access housing lid
- Patented emergency "Drive Converter" allows the operator to instantly convert from electric drive to manual with the turn of a handle
- AutoLock™ automatic tailgate lock

CARGO / MANAGER

An optional companion product for either **ROLL-N-LOCK® E-Series** or **M-Series**, **Cargo Manager®** is a moveable bed divider that can be positioned at any point along the length of the truck bed to manage and contain lightweight cargo.

- Easy positioning every 3"
- Laterally adjustable tie-offs
- Flip-up feature allows room for long objects
- Easily removable to accommodate large objects

1. **Roll-N-Lock®** unit impedes operation of the OE Bed Extender option.
2. Requires drilling holes to mount tracks.
3. OE cargo management system must be removed & discarded for installation of **Roll-N-Lock®** unit. Consider **Cargo Manager®** option.
4. Needs eight (8) #2 bed clamps.
5. OE plastic tailgate cap must be replaced with 1/16" thick aftermarket tailgate cap.
6. Special Order Only. Must provide exact bedrail length at time of order.
7. Uses additional flanges (included) that screw or clamp to the inside edge of the OE bed rails. Allow additional 15 min. for installation.
8. Ships in two boxes. Additional shipping charges may apply.
9. OE chrome bedrails must be removed and discarded. Mounting holes will be visible. Consider replacing OE bedrail caps.
10. OE tailgate cap must be replaced with aftermarket tailgate cap provided with system.
11. Reduces OE trunk opening to 15.5"
12. '99 - '00 models require the use of eight (8) #2 Clamps.
13. **Cargo Manager®** will not work with **E-Series™** electric retractable cover.
14. Equipped with a screw-on housing lid, as opposed to a hinged-lid
15. If no OE bedrail caps, remove the OE tailgate cap before installing the Roll-N-Lock cover.
