

SPRINT BOOSTER[®]

POWER CONVERTER

SELECTABLE PROGRAMMING

**DIRECT
RESPONSE
TO YOUR COMMAND!**

**BRING ON
THE POWER**
WHEN YOU NEED IT MOST

▶ Sprint Booster is an electronic device which attaches to your accelerator pedal connector. The installation is an easy process and does not affect the electronic systems of your car (injection, ABS, etc). With Sprint Booster, the delayed response of the electronic throttle will be dramatically reduced and acceleration will improve greatly.
