

Stampede's VIGILANTE Hood protectors are your vehicles first and best line of defense! Intercepting renegade rocks and debris and protecting your vehicle from whatever the road can throw at it. Engineered to accent the vehicles hood contour. The VIGILANTE's advanced smooth shape is designed to be stylish as well as functional.

Looks great and functions as a "drip-edge" for aerodynamic body styles form fitting doors and windows which no longer feature "rain gutters" to channel away water. This allows you to keep your window partially open for ventilation.

SMOKE
CAMO
CHROME

Fits securely and easily into the window channel without taping to any painted surfaces. The refined look blends smoothly with body lines for a sleek and natural look.

**SNAP-INZ ONLY AVAILABLE IN
Smoke (-2)**
