

ALUMINUM TRUCK BOXES

UWS aluminum truck boxes are designed and manufactured for the professional workman or truck owner looking for a tough, well-built toolbox.

**Tough.
Reliable.
USA Made.**

Patented Fully Foamed Lid creates a solid structure to prevent bending or warping and ensures easy opening and closing from either side

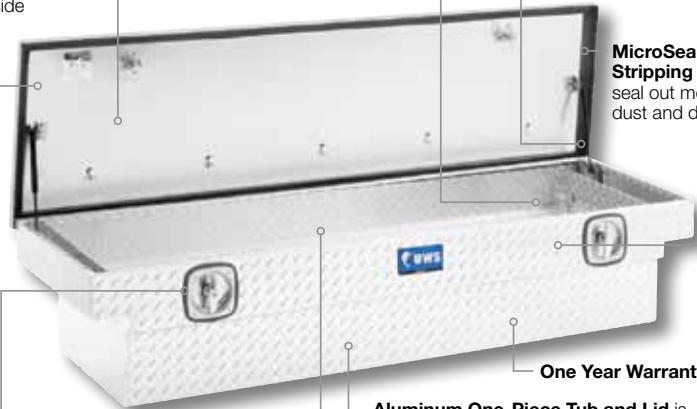

Built-in Tool Trays and Screwdriver Holders makes tools immediately accessible and adds structural integrity

Self-Closing Struts automatically close the lid, with slight manual pull, securing the box when hands are full

Lid Opens 90° for easy loading and unloading of tools and equipment

MicroSeal™ Stripping helps seal out moisture, dust and dirt

One Year Warranty

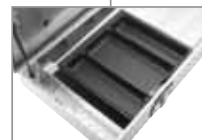

Aluminum One-Piece Tub and Lid is designed to support heavy loads, absorb tool drops and prevent leakage—available in two finishes:

- Bright Aluminum Diamond Tread
- Black Powder Coated Aluminum Diamond Tread

Stainless Steel Lock Handles provide strength, security and rust-free product life—available in two unique designs:

- **Secure Lock Twist Handle** provide oversized ring handle for easy full hand opening
- **Paddle Lock Lift Handle** provides strength, security and long-term corrosion resistance

3-Compartment Sliding Tray for convenient small item storage and retrieval

Connecting Rod Enclosure helps prevent box contents from bending or jamming the locking system

Aluminum Crossover Truck Boxes

Low Profile Boxes

Built 2" lower on the bed rail for a better view out rear window and sleeker look.

- **Available** with either Secure Twist Lock or Paddle Lift Lock

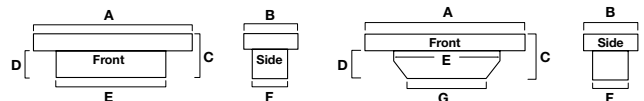

- Finish:**
- Aluminum
 - Black

Sizes: 54, 58, 60, 63, 66, 69, 72 inches
Handle Locks: Paddle Lift or Secure Twist
Depth: Standard, Deep
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish
 - Add *-R* to Part Number for Rails

Chest Notched

Optimizes cargo capacity while avoiding fender wells and other bed rail mounted accessories on full size trucks.

- See fit guide for vehicle compadibility

Finish:

- Aluminum
- Black

Sizes: 60 inches
Handle Locks: Paddle Lift
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish

Chest Wedge

Optimizes cargo capacity while avoiding fender wells and other bed rail mounted accessories.

- See fit guide for vehicle compadibility

Finish:

- Aluminum
- Black

Sizes: 36, 42, 48, 55, 60 inches
Handle Locks: Paddle Lift
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish

Standard Chest

For storage only. Not recommended for use in pickup trucks.

Finish:

- Aluminum
- Black

Sizes: 30, 36, 42, 48, 60 inches
Handle Locks: Paddle Lift
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish

Aluminum Fifth Wheel Chest

Low-profile rectangular chest for use when pulling a fifth wheel.

Finish:

- Aluminum
- Black

Sizes: 58 inches
Handle Locks: Paddle Lift
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish

Aluminum Trailer Boxes

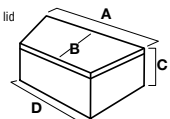

Mounts on lighter weight straight tongues of boat and snowmobile trailers.

Finish:

- Aluminum
- Black

Sizes: 34, 49 inches
Handle Locks: Paddle Lift
Optional Configurations:
 - Add *-BLK* to Part Number for Black Finish

PROGRADE STEEL TRUCK BOXES

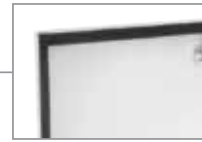

UWS ProGrade Steel truck boxes are built extra tough to provide unmatched durability in transportation and storage. From the oil fields to the construction site – our truck boxes are up for any task!

Backed by a limited lifetime warranty, UWS ProGrade boxes are built to withstand the most rugged, heavy-duty conditions. Our boxes also offer time-saving solutions, such as our Quick-Pull™ handle that provides easy, one-hand access to the inside of the box.

**Tough.
Reliable.
USA Made.**

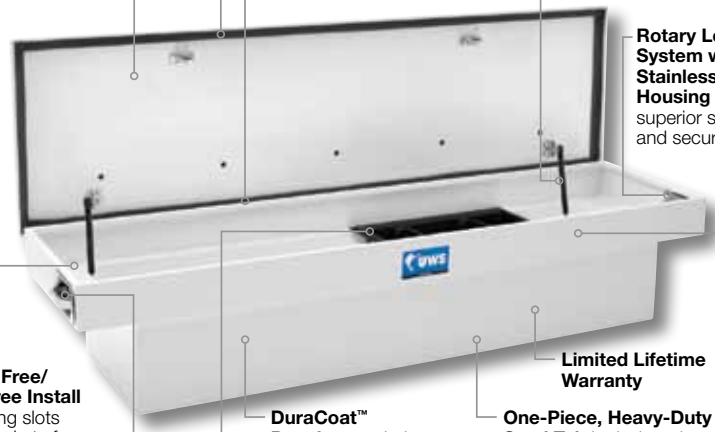

Patented Fully Foamed Lid creates a solid structure to prevent bending or warping and ensures easy opening and closing from either side

MicroSeal™ Stripping helps seal out moisture, dust and dirt

Heavy-Duty Gas Struts opens lid to a full 90° for easy loading and unloading of tools and equipment

Full-Length Piano Hinge improves opening and closing and adds theft protection

Rotary Locking System with Stainless Steel Housing for superior strength and security

Crimp Free/ Drill Free Install mounting slots and brackets for easy and quick mounting

DuraCoat™ Powdercoat helps resist abrasion and corrosion over time

One-Piece, Heavy-Duty Steel Tub is designed to support extra heavy loads, absorb tool drops and prevent leakage

Quick-Pull™ Handle for easier one-hand access and key lock protection

3-Compartment Sliding Tray allows for convenient small item storage and retrieval

Connecting Rod Enclosure helps prevent box contents from bending or jamming the locking system

ProGrade Steel Truck Boxes
