# CHALLENGER™ SERIES

## Specialty Storage Boxes

### CHALLENGER™ SIDEMOUNT

- Lockable, quick-release stainless handles
- Long, single lid design for storage of long items
- 3 sizes (48", 60" and 72") fits full size trucks
- Includes sliding tool tray and all mounting hardware
- Available in Black or Brite finish

### CHALLENGER™ CHESTS

- Twin commercial gas struts lift lid automatically for easy one handed use
- Lockable, quick-release stainless handles
- Long single lid design is ideal for storage of sporting goods, camping equipment, or bulky tools
- Available in 6 different sizes for full and downsize pickups

### CHALLENGER™ TOPSIDE

- Heavy duty diamond plate aluminum construction with full welded seams
- Convenient drop down doors are supported with chains to prevent doors from hitting truck body
- Mounts securely to bed with stainless steel fasteners
- 3 sizes available (72", 90" and 96"). 72" model can be used with toolbox on trucks with 8' beds

### CHALLENGER™ ATV STORAGE BOXES

- Gas-mounted shock for easy accessibility and noise reduction while on the go
- Weather stripping provides additional protection from the elements
- Rugged diamond plate aluminum construction is rust resistant and more durable than plastic or cloth
- Black stainless steel latches with double post hooks for extra security
- Drain and ventilation holes for air circulation and easy cleaning

### CHALLENGER™ TRAILER UTILITY BOXES

- Heavy duty diamond plate aluminum construction
- Hemmed lid with adjustable lid striker and weatherproof seal
- Stainless steel, lockable paddle handle offers increased security
- Gas strut lifts lid for easy access to box contents
- Available in 2 sizes
- Available in Black or Brite finish

### CHALLENGER™ UNDERBED BOXES

- Heavy duty diamond plate aluminum construction with fully welded seams
- Flush mount access door with foam seal provides weather resistant protection and a finished look
- Stainless steel T-Handle latches for security and easy of opening
