DELTA

JOBSITE STORAGE BOXES

- Easy-lift lid edge design helps strengthen and reinforce the lid
- Extended edge on lid is easy to grip to open the lid
- Bolsters are 3 3/8" tall for fork lifting
- Padlocks can not be pried or pulled out to gain access
- Heavy-duty one-inch steel locking arm secures the lid in the open position
- Bolt cutter free locking system protects padlock inside 12-ga. steel housings
- Easy access caster bolsters have wide access ports for adding optional heavy-duty casters
- Tall, deep handle recessed prevent pinched fingers and protect lifting handles from damage
- Heavy-duty hinge is staked and welded to prevent the hinge pin from being driven out to break in

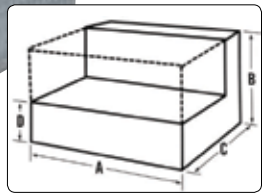

Four new chests in the most popular sizes!

Description	Length	Height	Width	Cubic Ft	Part No.
36" Long Chest	36	22	19.5	6.8	635990
42" Long Chest	42	23.5	20	9.3	636990
48" Long Chest	48	27.5	24	15.4	637990

FUEL-N-TOOL

BE PREPARED TO GO THE EXTRA MILE! ALUMINUM & STEEL TRANSFER TANKS

- All transfer tanks feature a 2" bung fill tube which protrudes into the tank to help limit the capacity and allow space in the tank for expansion of the contents due to warm weather
- The safety capacity is the MINIMUM capacity of the tank when filled to the bottom of the bung fill tube... not the maximum capacity of the tank
- The maximum gallon capacity is also shown in the chart

L-SHAPED

L-SHAPED FOR 4-DOOR TRUCKS
