Notes:

- (1) Feet for this application are welded directly to rack
- (2) Not recommended: if factory tie down system is in place, use deluxe no drill foot
- (3) Will only work if factory tie down system is in place
- (4) Will install but not recommended
- (5) Not custom fit / slightly wider than truck rail at back end

- (6) Add "nd" to part # if vehicle has factory track tie down system / if so / application will be no drill but the box cap inner lip may interfere or completely cover factory track tie down system
- (7) Not recommended if truck has factory track tie down system
- (8) Checker cap doesn't have outside bend & may distort slightly when mounting
