

# ROCK TAMERS™ MUDFLAP SYSTEM

## Removable and Adjustable Mud Flap System

### Helps Provide Protection While Towing

- The premiere adjustable and removable mud flap system
- Easily secures to most 2" ball mounts & receiver hitches
- Designed to provide the ultimate protection for your towable's from damage caused from rocks & road debris
- The perfect solution for consumers who want the utility aspect of mud flaps but want to maintain their vehicle's stylish and attractive appearance
- One size fits most vehicles ranging from small to dually size
- Mud flaps can be cut to any length
- No drilling required on vehicle
- Center hub requires at least 1" of free space on ball mount shank
- Supporting rods are polyethylene coated steel tubes for corrosion resistance
- Heavy-duty 24 x 24 rubber mudflaps are 3/8" thick and molded with a layer of tear resistant fabric

**BLACK** - Part No. 00106  
Does not include Rock Tamers trim plates

**CHROME** - Part No. 00105  
(with Rock Tamers trim plates)
