

TFP was the first to introduce Stainless Steel Wheel Well Moldings (Fender Trim) over 20 years ago in the US and is now the world's largest manufacturer. We are the best in quality, fit, available inventory, product range, and we do it all at a competitive price. We have the largest selection on inventory growing – daily! Our patented No-Drill mounting system provides a great fit and is available in chrome finish for many popular applications in many different styles – Standard, With Crease, Short and Long, allowing you to choose the style that's right for you, not us!
